Directions (1-5) (Read the data carefully and answer the questions.)

A Publication sold three books i.e. Quant, English and reasoning on three different stores i.e. A, B and C.

Quant, reasoning and English book are sold at 20% discount by store A, C and B respectively. Quant, reasoning and English book are sold at 15% discount by store C, B and A respectively. Discount percent given on Quant book by store B is half of discount percent given on reasoning book by store C. M.R.P. for each book is same at every store

1. Store A sold reasoning book at Rs. 880, find M.R.P of the book if discount given by store A on reasoning book is 20% more than discount given by store B on quant book?

- a) Rs. 1200
- b) Rs. 1000
- c) Rs. 960
- d) Rs. 1240
- e) None of these.

2. If total selling price of Quant book for store A and B together is Rs. 510. Find M.R.P. of Quant for store B?

- a) 240
- b) 270
- c) 290
- d) 300
- e) 450

3. If market price of a reasoning book was 50% more than cost price of the book for store C. Find profit percent on selling a reasoning book by store C?

Solution (1-5)

Discount percent given on Quant book by store B = $\frac{1}{2} \times 20\% = 10\%$

Table shows discount percent given by three different stores on three different books.

Store and book name	A	B	C
Quant	20%	10%	15%
Reasoning		15%	20%
English	15%	20%	

1. Answer : B

Discount given by store A on reasoning book = $10 \times \frac{120}{100} = 12\%$

M.R.P. of books = $880 \times \frac{100}{88} = 1000$ Rs.

2. Answer : D

Let M.R.P. of each book = Rs. 100a

ATQ,

$$100a \times \frac{80}{100} + 100a \times \frac{90}{100} = 510$$

$$170a = 510$$

$$a = 3$$

$$\text{So, } 100a = \text{Rs. } 300$$

Aptitude Full Paper 1

For Solution Join 3 Months SBI Clerk And LIC AAO 2021 Target Batch : Click Here

3. Answer : A

For More Study Material : Click Here (Telegram)

let cost price of a reasoning book for store C = Rs. $100y$

Market price of a book for store C = $100y \times \frac{150}{100} = \text{Rs. } 150y$

Selling price of book for store C = $150y \times \frac{80}{100} = \text{Rs. } 120y$

Required profit percent = $\frac{120y - 100y}{100y} \times 100 = 20\%$

4. Answer : D

Let M.R.P. of each book = Rs. $100c$

Required ratio = $\frac{1}{3} \times \left(100c \times \frac{20}{100} + 100c \times \frac{20}{100} + 100c \times \frac{20}{100} \right) : 100c$

= 20:100

= 1:5

5. Answer : A

Selling Price of reasoning book for store C = $\frac{170}{100-15} \times (100 - 20)$

= Rs. 160

6. Answer : E

Series Pattern = $7^2, + 6^2, + 5^2, + 4^2, + 3^2$

7. Answer : C

The pattern of the number series is $\times 1+1, \times 2+2, \times 3+3, \times 4+4, \times 5+5$

8. Answer : A

The pattern of the number series is $\times 0.5+1, \times 1.5+2, \times 2.5+3, \times 3.5+4, \times 4.5+5$

9. Answer : D

the number series is = $2^3, 4^3, 6^3, 8^3, 10^3$

10. Answer : C

11. Answer : A

Total of maximum marks of all subjects = $105 \times 5 = 525$

$$\text{80\% of 525} = 525 \times \frac{80}{100} = 420$$

Obtained marks of four subjects (Hindi, Sanskrit, Mathematics and English) = $89 + 92 + 98 + 81 = 360$

So, the obtained marks in Science = $420 - 360 = 60$

12. Answer : A

**Profit of A,B,C in the ratio = $22000 \times 12 : 33000 \times 3 : 132000 \times 9$
= $8 : 3 : 36$**

$$\begin{aligned} \text{Profit of C} &= \frac{36}{8+3+36} \times 14100 \\ &= \text{Rs.10800} \end{aligned}$$

13. Answer : A

Let Gold = $3x$ gms

Silver = $5x$ gms

$$3x + 5x = 320 \text{ gms}$$

$$x = 40$$

So, Gold = 120 gms

Silver = 200 gms

$$\begin{aligned} \frac{120}{200 + y} &= \frac{1}{3} \\ Y &= 160 \text{ gms.} \end{aligned}$$

14. Answer : D

No information about total earnings so, data inadequate.

15. Answer : C

Effect on total age of the class = $72 \times 2.5 = 180$ month or

15 years decrease so the age of new boy will be $30 - 15 = 15$ years

Why we start this initiative?

As we know that notification of SBI Clerk and LIC AAO is coming very soon. SBI Clerk and LIC AAO is a good opportunity for getting jobs into banking sector and insurance sector respectively.

As we know that competition for banking exams is increasing day by day because lot more new students joining this field due to its certainty of banking exams.

If you want to clear these exam, you need to very good marks in this prelims exam. With the help of our new initiative; we will help you to get more marks in prelims exams.

Is It Paid?

Yes, It is paid.

But we try to fix minimum charges as we can for it. As it contains 70 days 120 question each day contents and 10
